Remembrance Trial 11/11/23

Dear all

Thank you for joining us at a new (to us) venue, I do hope you all had a great ride and 31 riders is a great turnout for a new event. Many thanks go to James for inviting us to use his wonderful land, it is a superb addition to our series, thanks to all the observers for your continuing support and finally thanks to Paul and the boys for all the hard work setting out 10 superb sections. We will be donating the proceeds of this trial to the Royal British Legion.

Winners

Class F C. Leese 5 (overall winner)

Class G P. Mountford 15

50/50 S. Coales 18

Easy D. Pickering 10

Our next event is going to be a charity trial in aid of the Northwest air ambulance service and will be held on Sunday 10th of December but we are yet to decide on a venue so keep an eye out for details on Facebook or the club website, hopefully see you all there.

Kind regards

Stuart and Paul
